Hi Rob,

From my recollection, the following people participated in the meeting. I unfortunately did not record the full list of participants, but these are the most important folks for future contact:

Nancy Stoner, Acting Assistant Administrator
Office of Water
:202-564-5700

Denise Keehner: Director
Office of Wetlands, Oceans and Watersheds
202-566-1566

David Evans, Director
Wetlands Division
Office of Wetlands, Oceans and Watersheds
(202) 566-0535

Russell L. Kaiser, Chief
Chief, Wetlands & Aquatic Resources Regulatory Branch
202-566-0963

All emails are Lastname.Firstname@epa.gov (I provided names above consistent with how their email address is listed)

It was great meeting with you and learning about the Native Village of Tyonek's issues first hand.

Hi Felicia:

Thank you again for all the support you provided while we were in DC and for coming to the meeting with Lisa Jackson and Nancy Stoner. Both meetings were very successful.

Is there any chance that you can provide us with the phone numbers, email addresses, names and contact info for the other individuals who were in the meeting with Nancy Stoner. I managed to obtain all the contacts of folks that were at the meeting with Lisa Jackson, but I didn't do as well at the meeting with Nancy Stoner.

I appreciate any of your time spent on our behalf. Best wishes

Rob

Hi Rob,

Can you please send me the names of who will be coming, so that I clear you through security? Also how many people do you expect to have? We have a small side conference room that only holds about 6 people total.

Please plan on coming to 1201 Constitution Avenue NW. The EPA front entrance is very near 12th and Constitution, on the Constitution Ave. side of the building. I will meet you there. Please call my number below when you arrive.

Thanks, and see you soon.

Hi Felicia

Thank you for responding on behalf of Mike Shapiro. May 2nd at 10:00am will work great

Please do put us on his schedule.

What address and room number will we be coming to and what phone number should we call when we arrive at security?

Thank you

Best wishes

Rob
